Entry

Entrants must join or be a current member of the Iowa Lottery VIP Club. Entry into the promotion is accomplished by legally acquiring an eligible Iowa Lottery Game #337 Frogger scratch ticket. If the ticket is a nonwinner, players can visit the Iowa Lottery website at www.ialottery.com to enter the Frogger promotion with the entry number (located on the front of the ticket) and the ticket number (located on the back of the ticket above the bar code).

Players may enter multiple tickets, but an eligible scratch ticket can be entered only once. While a VIP Club member can enter multiple times in each drawing, each person may win only one prize in a drawing.

The web cache mechanism empties after the entry deadline and starts with zero entries at the beginning of entry period, except for the Grand Prize drawing. All entries submitted during the Frogger promotion that were not selected as a winner for a previous Frogger drawing are eligible for the Grand Prize drawing. Winning Frogger scratch tickets are not eligible for entry into this promotion. All entries are final. Entrants must follow the VIP Club rules. Players must use a street address for their account information – P.O. boxes are not valid for this promotion or the VIP Club. Entry into the Frogger promotion is sufficient for presentation of a ticket for validation purposes for this promotion. Players do not need to keep their tickets after entering them.

Free Frogger Fun Game

Players will get a chance to play the Free Frogger Fun game. Each time a player enters an eligible Frogger ticket they will see a link that says "Click here for Free Frogger Fun" with the opportunity to play the online game. The Ticket History page also has a link titled "Play" in the "Free Frogger Fun" column beside each entered ticket. For each ticket entered there are 3 plays for the online game. Players can check out the Free Frogger Fun leaderboard at ialotteryvip.com to see where the Top 10 rank. Players are not required to activate or play the "Free Frogger Fun Game" in order to participate in this promotion. The operation or lack of operation of the "Free Frogger Fun Game" does not alter or impact the player's odds of winning any prize in this promotion.

Eligibility

An eligible entry is any legally acquired Iowa Lottery \$5 Game #337 Frogger nonwinning scratch ticket that has not been previously submitted as an entry in this promotion on the Lottery website. Except as provided under the "CEO's Discretion" herein below, an eligible entry is one in which the web entry information is completed and submitted electronically during the posted entry time as specified on the Iowa Lottery website. A nonwinning eligible scratch ticket may be entered only once. Players may attempt to enter or submit up to 40 total unique entries per day in a VIP Club account. Each attempt of ticket submission counts as one entry attempt. The Iowa Lottery Authority is not responsible for otherwise eligible entries that are entered inaccurately, incorrectly, or arrive after 8:59 a.m. CT Wednesday, August 16, 2017. All entrants must be 21 years of age or older. A person could win one prize in each drawing in the Frogger promotion drawings that he or she has entered.

Players who have signed up for the Iowa Lottery self-exclusion program are not eligible to participate in this promotion. Members of the Iowa Lottery Authority Board of Directors and Iowa Lottery Authority employees and their immediate families, as defined by statute, are not eligible. Further, officers, employees, agents, or subcontractors of any vendor who have access to confidential information that may compromise the integrity of the Lottery, and their immediate families, as defined by statute, are not eligible.

Drawings

The drawings will be held in accordance with the schedule posted to the Lottery's website (www.ialottery.com) and listed in the rules. The Frogger promotion drawings will be held under the supervision of an independent auditor. All drawings of the Iowa Lottery Authority are public events. Persons interested in attending drawings are invited to receive detailed information by contacting the Iowa Lottery Security Division in Des Moines at 515/725-7900; TTY Relay Iowa at 800/735-2942; or by email directed to WMaster@ialottery.com. Persons who attend drawings must show a valid photo ID and be supervised by a member of the Iowa Lottery Security Division during the drawing. A request to attend a drawing must be received by the Lottery no later than 48 hours in advance of the drawing. All drawings are recorded.

The winners' names will be posted on the Lottery's website by the end of the day following the draw day or as soon as available. Each selected winner will be sent an email to his or her VIP Club member email address. Entrants are not required to personally attend the drawing or be present at the time of the drawing to be determined a winner. Each of the selected numbers will be verified against the numbers entered in the promotion. A sufficient number of entries will be randomly selected to ensure there are valid winners for the prizes to be announced. If the number drawn is determined to be ineligible for any reason or the winner of a Frogger merchandise prize package doesn't present a fully executed claim form and required documentation by 4:00 p.m. CT 15 business days from the draw date, the prize will be awarded to the first eligible alternate in the order they were drawn. If alternates are required, an email notification will be sent to the alternate's VIP Club email address and his or her name will be posted on the Lottery website. If an alternate is required for a merchandise prize, he or she must present a fully executed winner claim form and required documents to the Iowa Lottery by 4:00 p.m. CT 15 business days from the date the email notification is sent to claim the prize. If a valid winner of a cash prize does not present a fully executed claim form and the appropriate documents to the Lottery by 4 p.m. CT 15 business days from the draw date, the cash prize will go back into the prize pool.

The prize winners in the Frogger promotion drawings must complete and sign a winner claim form along with appropriate tax documentation and present those documents with a legible copy of their government-issued photo identification to the Iowa Lottery by the posted deadline date and time to claim their prize. The completed winner claim form, appropriate tax documentation and legible copy of their government-issued photo identification can be presented in person at any Iowa Lottery regional office open Monday through Friday from 8:00 a.m. to 4:00 p.m. (closed on state holidays) or by mail to the Iowa Lottery Authority headquarters office at 13001 University Avenue, Clive, IA 50325. The winners of a merchandise prize package must make arrangements in advance with lottery staff to receive their prize.

By submitting an entry into the Frogger promotion and claiming the prize, the entrant certifies he or she is the sole owner of the entry, the entrant is at least 21 years old, the ticket is not stolen, and the entrant is not disqualified from receiving a prize. By entering the promotion, the entrant agrees to indemnify and hold harmless the State of Iowa and the Iowa Lottery Authority, its elected officials, apprentices, employees, agents and volunteers. In consideration for participating in the promotion, the entrant waives any and all claims the entrant may have or ever claim to have against the Iowa Lottery, its employees, agents, or board members, relating in any way to the promotion. The player also consents to the use by the Lottery of his or her name and/or likeness for advertising, trade or promotional purposes without further compensation.

Odds

The odds of winning a Frogger promotion prize will vary depending on the number of entries.

Force Majeure

If the Iowa Lottery Authority is hindered from providing the prizes due to riots, acts of God, shortages of labor or materials, war, acts of terrorism, governmental laws, regulations or restrictions or any other causes of any kind whatsoever which are beyond the reasonable control of the Iowa Lottery Authority, the Iowa Lottery Authority shall not be liable or responsible for its inability to provide some or all of the prizes discussed herein.
