

BID LIST APPLICATION

The Lottery selects vendors to receive solicitation documents based on the Lottery's knowledge of the vendors in the particular market. By completing this Bid List Application form, your company will be placed in the database of vendors interested in receiving bids and request for proposals issued by the Iowa Lottery. Placement on a bid list does not entitle a vendor to receive solicitation documents from the Lottery. The Lottery may choose to provide bids or RFP's to vendors that have submitted a Bid List Application or the Lottery may choose to provide bids or RFP's to vendors chosen by the Lottery. A vendor is solely responsible for ensuring that up-to-date contact information is on file with the Iowa Lottery.
