These game specific rules are issued pursuant to Iowa Code section 99G.9(3) and are intended to supplement Title XII of the Iowa Department of Revenue's administrative rules. These game specific rules specify only details and restrictions applicable to this particular pull-tab game and do not govern pull-tab games in general. Three symbols are printed under each tab except for the "JACKPOT" symbol which if it appears on a ticket, will appear in a single window tab as noted above. Check all five tab areas. A ticket may contain multiple winners. If three consecutive symbols printed vertically or diagonally under any of the tabs match identically any of the winning combinations as shown on the ticket front, the player wins the corresponding prize. The arrow connecting the symbols indicates it's a winner.

The winning Play Symbol combinations and corresponding prize amounts are as follows:
