

## **Open Records Information Provided By The Iowa Lottery In April 2022**

**(On average, responses were provided within 7 calendar days.)**

On April 1, NuPoint Funding LLC of Boca Raton, Fla., requested a list of annuity winners for January 2021 to present and any new or updated court orders for March 2022. That same day, the Iowa Lottery provided one email with the requested information. There was no charge for this request.

On April 1, the North America Procurement Council of Grand Junction, Colo., requested an updated plan-holder, bid tabulation and contract award information for Iowa Lottery RFP 22-08, Warehouse Equipment Relocation. On April 11, the Iowa Lottery provided one email noting that an award decision had not yet been made, so no bid tabulations or contract award information existed. The lottery also sought clarification regarding the updated plan-holder and errors and deficiencies referenced by the organization. There was no charge for this request.

On April 8, the Idaho Lottery requested an electronic copy of the Iowa Lottery's current contract for its statewide gaming system including all amendments, MOUs or any change to the contract since its signing. On April 11, the Iowa Lottery provided one email with the requested information. There was no charge for this request.

On April 25, the Lotto Report of Garland, Texas, requested copies of the MUSL sales draw reports from the Mega Millions drawings on April 12 and 15. On April 28, the Iowa Lottery provided one email with the requested information. There was no charge for this request.

On April 28, JANUS Software Inc. of Stamford, Conn., requested a copy of the proposal submitted by Bulletproof Solutions to Iowa Lottery RFP 22-04, Network Security Assessment. When the contract with the winning bidder was signed, the Iowa Lottery provided one email with the requested information. There was no charge for this request.
