Action Briefs

Clinton Woman Wins \$500,000

Gayle Fraker of Clinton bought her \$500,000-winning Powerball® ticket while out running errands in the middle of a downpour. With the weather, she decided to stop at Kwik Star, 911 S. 14th St. in Clinton, a different store than the one where she usually

buys her tickets. Fraker said she plans to use her winnings to pay off her mortgage and all her bills, then plan for retirement.

Be Sure Players Know About the LotteryPlus Mobile App

Players Can Enter Summer Cash Bash Quickly and Easily

Since we just launched our summer Prize Zone promotion called “Summer Cash Bash,” be sure you are reminding players that using the app is the easiest way to enter promotion drawings. All they have to do is scan the square bar code on the front of an eligible scratch ticket and they’re entered!

Since the LotteryPlus mobile app debuted as a cross-platform app in 2017, we’ve updated it several times with new features.

Players can join the VIP Club through the mobile app if they’re not yet members. They’ll receive an email response with a code they can enter on the log-in screen in the app along with their email address. Then they’ll set up a password and they can begin entering tickets.

Another popular way that people use our app is to check the results of their lottery tickets. Players can check lotto, scratch and InstaPlay tickets on the app, so they don’t have to visit a store or a lottery office to see if they’ve won.

Players can also use the app is to check the winning numbers in recent lotto drawings, find an Iowa Lottery retailer and create an ePlayslip for lotto games.

If they don’t yet have the app, players can install it from the Google Play Store® or Apple iTunes Store® as applicable for their device. ■
