Arcade Gamers May Enjoy This New Play It Again® Promotion!

A beloved and long time veteran to the gaming world is getting a new spin on its game play! The Iowa Lottery welcomes PAC-MAN (game #741) to the February line-up of new scratch games set to launch Feb. 4, 2025. Players can win up to \$50,000 instantly!

The PAC-MAN scratch ticket will also be the star of show in our next Play It Again® promotion — the **PAC-MAN Second Chance Promotion**, is set to launch the same day as the game release — see the inside of this issue of Lottery Action to get your orders in!

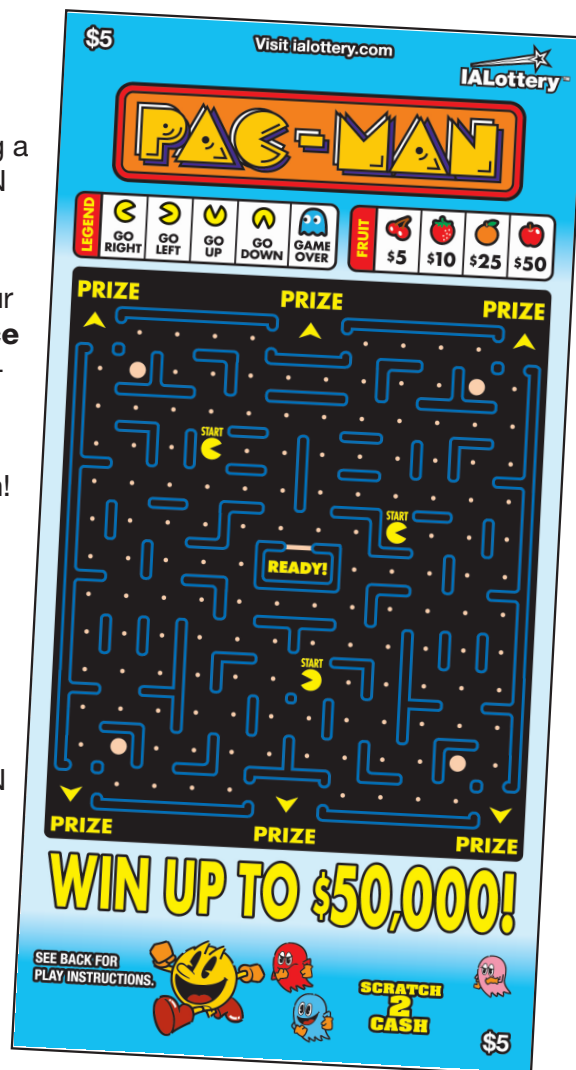

VIP Club members will have three chances to win cash prizes! Two entry periods to win \$15,000 cash will have ten winners each!

And for the grand prize in the final round, all entries that weren't a winner in the first two entry periods will be automatically entered to win a prize package that includes a PAC-MAN Bash Cabaret Standing Arcade, a PAC-MAN themed barstool, PAC-MAN themed carpet rug, exclusive PAC-MAN t-shirt and cap, and to top it all off, \$25,000 cash! This prize package is worth an estimated \$36,000!

The first entry period for the first ten winners of \$15,000 will end 9:59 a.m. March 17, 2025. The second entry period will run 10 a.m. March 17 through 9:59 a.m. April 28, 2025.

One lucky winner from the nonwinning entries will be the grand prize winner! VIP Club members just need to enter their nonwinning PAC-MAN scratch ticket into their account to be eligible for entry.

Get all the details on this Play It Again promotion beginning at 10 a.m. Feb. 4 at ialottery.com.

1. Scratch one of the three START positions "START" within the maze.
2. As shown in the LEGEND, continue scratching ONLY in the direction of each revealed PAC-MAN symbol, one symbol at a time, to reveal the path through the maze.
3. If the revealed path runs into a FRUIT symbol, win the prize shown for that symbol, and continue on in the direction of the arrow next to that same FRUIT symbol (shown in the same play spot).
4. If the revealed path runs into a GHOST "GHOST" symbol, that path ends and the game is over for that PAC-MAN.
5. If the revealed path ends in a PRIZE play spot, win the prize amount revealed in that same PRIZE play spot.
6. Repeat steps 1-5 for the remaining two START positions "START" within the maze.
